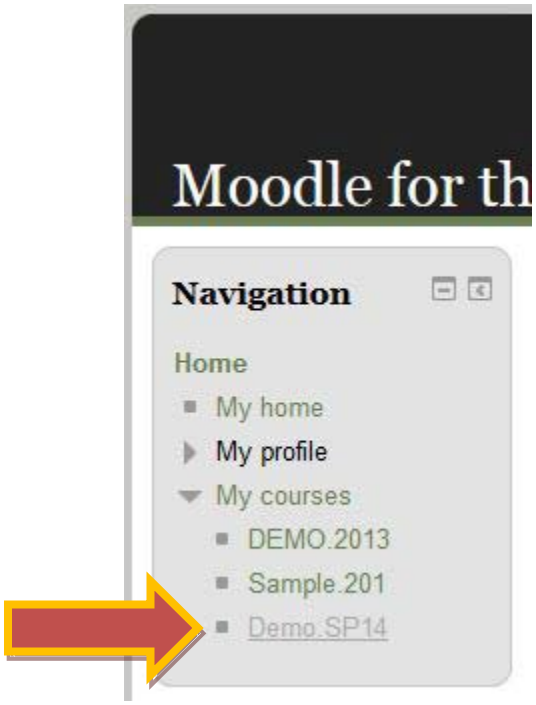
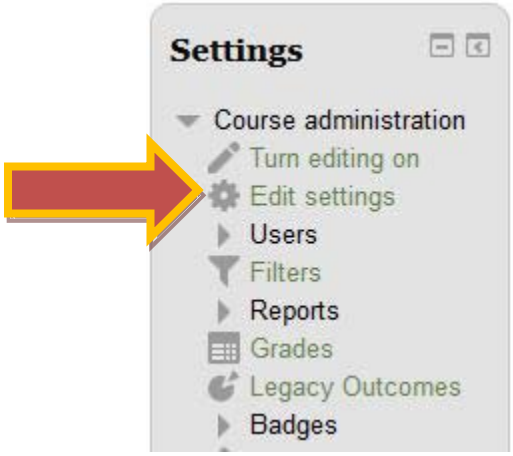
Making a course visible to students

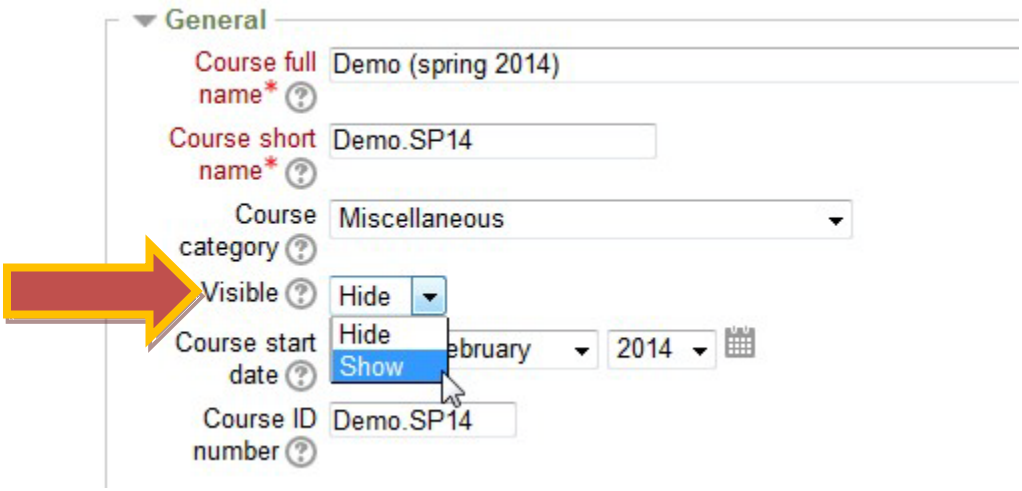
1) Log in to moodle (moodle.gtu.edu)
2) Choose your class from the LEFT side **MY COURSES** drop down under the Navigation block. (Hidden courses will not be displayed on the RIGHT side **MY COURSES** quick links until after being made visible.)

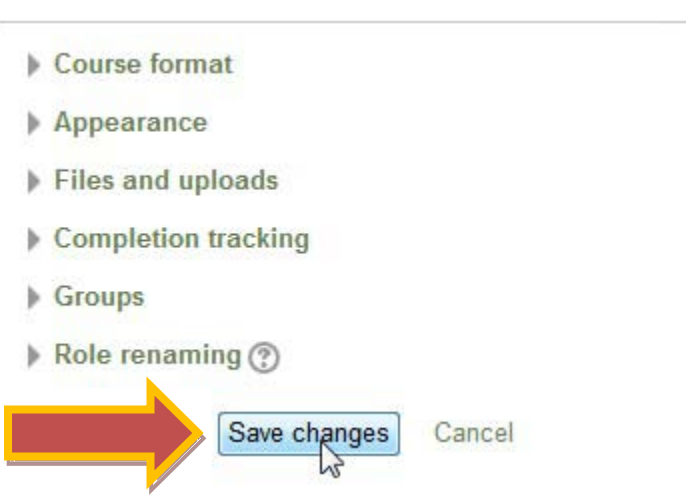


3) Under the **SETTINGS** tab for your class, select the **EDIT SETTINGS** link.



4) Under the GENERAL section at the top, choose **SHOW** from the **VISIBLE** drop-down:





5) Scroll to the bottom of the page and choose SAVE CHANGES.
