CITS

Consortial IT Services

techsupport@psr.edu

Consortial IT Services

Provide a central Information Technology department supporting the faculty, staff and students of the GTU-Consortium.

Overview of CITS

GTU-Consortium

- ABSW — American Baptist Seminary of the West
- CDSP — Church Divinity School of the Pacific
- DSPT — Dominican School of Philosophy and Theology
- GTU — Graduate Theological Union
- JST — Jesuit School of Theology (SCU)
- PLTS — Pacific Lutheran Theological Seminary
- PSR — Pacific School of Religion
- SFTS — San Francisco Theological Seminary
- SKSM — Starr King School for the Ministry

- Email accounts, hosted on Google Apps for Education, are managed by CITS for all schools except CDSP, JST & SFTS.
- CDSP, JST & SFTS students should contact their schools with questions concerning student email accounts and availability.
- M.A. program students are given accounts by their school of affiliation.
- These accounts are your official email address while attending & will be used for all communications from your school.

Student Email Accounts

- Once you complete your program you are welcome to continue using this account, just be aware your account will be automatically suspended after 1 year of inactivity or not logging in.

- For further information, please see:

    www.gtulink.edu
