

## Passion Led Us Here: Mentoring Night

Join Students, Staff, & Faculty for Food & Facilitated Conversation

All are welcome, regardless of gender identity or expression, but we especially welcome those who identify as women, femme, and/or non-binary. Facilitated discussions will consider topics such as addressing sexism, financial sustainability, publishing, careers outside of religion/the academy, classroom dynamics, and more. Participants can choose which conversation(s) to take part in.

Also, come to learn about the Women's Studies in Religion Certificate Program and ways to be involved in our programming.

**Date/Time:** Wednesday, November 13, 5-7pm.

**Location:** GTU Dinner Board Room (2400 Ridge Road, 3rd Floor, wheelchair accessible).

Dinner will be provided with plenty of vegan/vegetarian options.
