

Ordering GTU Doctoral Graduates Caps and Gowns

You may order your gown and tam from the vendor of your choice. In either case, you will be ordering a custom made robe. Below are the two approved vendors and the specifications of what to order. The original GTU robes were ordered through the second vendor, with the red color of fabric chosen from their stock. The red from the first vendor is slightly different, but since there is a large price differential, graduates have gravitated towards Reid's. The difference is minimal and the choice is yours.

Option #1

You may order your cap and gown through Reid's in Berkeley. Reid's will order your gown from Murphy's Robes. Their robes are quite a bit less expensive, of equal quality and very little color difference. We recommend going to Reid's to be measured for your gown, but they can also accommodate phone orders. We recommend making an appointment prior to stopping by. David Reid is the contact person.
